Supporting the Automotive Industry with Quality Auto Glass Services

Knights Glass is a trusted provider of high-quality mobile windshield replacement and repair services, backed by over 40 years of industry experience.

We specialise in supporting the trade sector of the automotive industry, delivering reliable, efficient, and professional solutions tailored to meet the needs of transport companies, commercial vehicle operators, car dealerships, and bus fleets.

Our expert technicians use premium materials and state-of-the-art equipment to ensure every replacement and repair meets the highest standards of safety and workmanship.

At Knights Glass, we pride ourselves on our customer-centric approach—providing prompt service, clear communication, and complete peace of mind on every job.

Why Choose Knights Glass?

Your Partner in Professional Automotive Glass Solutions

Trade-Focused
Expertise

Mobile & Responsive

Risk-Free, Quality Assured

Environmentally
Responsible

Knights Glass is a leader in automotive glass restoration, with over 40 years of experience serving Melbourne's trade sector. Now with more technicians than ever servicing across Melbourne, we're equipped to support your needs faster and more efficiently. Whether you're managing a fleet or expanding your dealership services, we help you cut costs, increase uptime, and deliver exceptional customer value.

Our Services

| | |
|--|---|
| Windscreen Repairs | Prevent costly replacements by restoring chips and cracks. |
| Headlight Restoration | Restore clarity and appearance with UV inhibitors. |
| Glass Scratch Polishing | Remove wiper arc scratches to improve visibility and resale value. |
| Windscreen Replacement and Fitting Services | Remove damaged glass and install a new, road-safe windscreen. We also offer windscreen fitting for car dealerships. |

Why Trade Professionals Choose Us:

For Transport & Logistics Operators

- Lower OPEX – Save by restoring instead of replacing.
- Maximise Uptime – On-site mobile service minimises downtime.
- Extended Component Life – Defer costly replacements.

For Dealerships & Resellers

- New Revenue Stream – Offer high-margin repair services.
- Consistent Quality – ISO 9001-compliant workmanship your customers will trust.
- Fast RWC Compliance.

Your Partnership with Knights Glass

| Trade Tier Discounts | |
|----------------------|---|
| 1 Job | Trade price |
| 2 Jobs | 10% off second job |
| 3+ Jobs | 20% off all additional jobs *must be the same job type |

We deliver value...

- **Cost Control:** Minimise expenses by leveraging our trade pricing and tiered discounts.
- **Efficiency Gains:** Keep your fleet on the road with quick turnarounds, reducing downtime.
- **Component Longevity:** Extend the lifespan of automotive glass and headlight components through professional restoration, deferring costly replacements.
- **Risk-Free Expertise:** Gain access to our fully managed services without investing in in-house resources.
- **CAPEX:** We invest in the latest equipment so you don't have to.

Let's Build a Partnership

With Knights Glass, you're not just outsourcing a service - you're gaining a partner who drives your success. Let's create a solution that works for you.

We are ready and happy to answer any questions you may have.
